About Westfield Blue Devils Basketball Camps

I created Westfield Blue Devils Basketball Camps in the Fall of 2013. As the head coach at Westfield High School, I understand that in order to build a great program, it must start from the ground up. My mission is to provide proper instruction and skill development to all whom attend any of our camps or clinics. In order to accomplish this, I have worked very hard to develop our camp programs and plans for each day. Also, in order to teach the skills that we believe are vital in the development of our players, we have made sure to hire staff who understand these skills and understand how to teach the skills and adjust them to younger players. Our staff will consist of other high school coaches, former Westfield High School players and current Westfield High School players.

Our camps are designed to teach these skills to all players and then put them in a fun, competitive environment to demonstrate the skills that they learned.

We look forward to seeing you at camp this Summer.

Sincerely,

Daryl Palmieri, Head Boys Basketball Coach

Westfield High School
